

PRC Club Boat Use Test

In order to use club boats without supervision you must successfully complete the following tasks from start to finish under the supervision of the director, any coach, or specific "certified" members. If you are unable to complete the test, you may try again, hopefully after more training with coach supervision.

Participant Name: _____

Participant Phone #: _____

Test

- | | Completed? |
|--|--------------------------|
| 1. Check the reservation book and sign out the club boat in the log. | <input type="checkbox"/> |
| 2. Verify the boat is in good condition, has all equipment, and is in good shape | <input type="checkbox"/> |
| 3. Demonstrate proper rack handling (unassisted) of the club boat you intend to row | <input type="checkbox"/> |
| 4. Select and properly place your oars | <input type="checkbox"/> |
| 5. Get on and off the dock while following correct dock protocol | <input type="checkbox"/> |
| 6. Row - off the dock, east and back through the bridge (on proper side), across to Ivar's and back to the dock. | <input type="checkbox"/> |
| 7. Properly handle boat, blades, and books on the way back in. | <input type="checkbox"/> |
